Do You Know Your Video Security Provider's Crime Reduction Rate?

Unlike competitors who don't disclose their rate or their calculation methods, Jatagan is fully transparent — delivering a **99.9% success rate** that crushes the industry's less than 70% rate for monitored video surveillance (aclu.org), giving you ultimate peace of mind.

Our documented statistic is updated at the beginning of each month, tracking 12-month rolling effectiveness in the prevention of crimes.

Latest Stats: Real Results, Real Impact

Avg. Intrusion Attempts Per Site = 7.3/month

Jatagan's Success Rate = 99.9% (1 miss / 1,000 attempts)

Industry Crime Reduction Rate = < 70% (> 300 misses / 1,000 attempts)

Imagine reducing your risks to nearly-zero … that's the Jatagan Difference!

Powered by cutting-edge tech & AI, vigilant monitoring, and a commitment to excellence.

Transparent Calculation

We log all intrusion attempts & misses (failures to stop crimes in camera views).

- Tally all attempts across all sites (past 12 months).
- Subtract false alarms = **Net Intrusion Attempts**
- Tally all **Misses** across all sites (past 12 months).
- **Success Rate = 1 – (Misses ÷ Net Intrusion Attempts)**
