

Ever Lost Assets To A Monitoring Failure?

One miss or delayed response can cost thousands in stolen materials & equipment.
Standard monitored video surveillance only reduces theft by less than 70%^.

Jatagan's patented Redundant Live Monitoring System™ is Second To None

- ✓ 24/7 in-house monitoring with **two agents per camera** ensures zero downtime.
- ✓ **AI analytics** further enhances threat detection.
- ✓ **Real-time intervention** stops & prevents crime in progress.
- ✓ **Monitor with care** is our guiding principle.

Trust Jatagan For Your Security
